

Welcome! You have enrolled in Successful Solutions Business Education Online.

Professional development is easier than ever, with online training you can complete your education at your own pace, in your own time.

Helpful Information

Please allow two business days to receive your log-in information to access the courses..

Website: Access the Online Training Program:

<http://www.nlexportcampus.com/SuccessNR/Home/Index.rails>

Log-In: You will be assigned a username and password. An email will be sent to you within 2 business days with your log-in information.

Can't Log In? [Contact us](#) using the Live Student Support Chat on the bottom right side of our website.

Technical support with the Online Courses: **1-800-261-6248**

Business Hours: Student support is available between 8 am and 9 pm [PST](#), 7 days a week.

Term of Training Access: You will have **twelve months** from the date of payment to complete the training and then you will no-longer have access to the online course.

Certificates: You may print an automated certificate from the training platform. Once you complete the course, under Progress Report, look for the certificate icon. The certificate will be available immediately upon completion of the course.

Attention Washington State students: Washington STARS credit is available for this course. However, you must submit an evaluation form in order to receive STARS credit. Please contact [student support](#) for more information.
